**Barnes Close
Conference Centre
and Retreat House**

Whether you are looking for a venue for a group for a day or residential event, or for an individual personal retreat, there is a warm welcome waiting for you at Barnes Close, a former Cadbury family home situated between Birmingham and Bromsgrove.

We can offer you good home cooking, warm cosy rooms, five acres of grounds and direct access to the Waseley Hills Country Park.

Our Rooms

The Common Room on the ground floor has a log fire in winter and can comfortably seat up to fifty people. It is fitted with a PA and loop system.

The Coffee Bar / Seminar Room is on the lower ground floor. It can seat fifteen round a table for a business meeting or up to forty for a seminar. It also has a TV, a tuck shop and a conservatory.

The Chapel on the upper floor has views across Worcestershire to the Malvern Hills. It is fitted with a loop system and can seat up to thirty people.

Digital projectors, CD players, DVD players and Monitors are available.

The Webb Room is our south facing conservatory where we normally serve Morning Coffee, Afternoon Tea and tea and coffee after meals. It has views over the Worcestershire countryside and opens out onto steps to a patio.

Other Rooms

There is also a small library and a prayer room which can be used as breakout rooms.

Our Bedrooms

The thirteen guest bedrooms are a mix of singles, twins and family rooms and are set-up for twenty nine people. For youth or church family weekends extra beds can be put into some rooms, expanding capacity to forty. Eight of the rooms have en-suite facilities, the others have washbasins, with separate shower facilities. All come equipped with hand and shower towels.

Our Grounds

From the front of the house there are extensive views over the Worcestershire countryside. A short walk into the Country Park gives even better views. There is also a quiet peace garden with pond, benches and a cross.

Our Food

Our chefs prepare your meals from fresh ingredients sourced mainly from local butchers, fishmongers, fruit and vegetable markets and other shops.

We use Fair Trade products where possible and cater for vegetarian and special diets notified in advance.
